

# Joshua Tree National Park

## All Church Tent Camping Trip

Friday Feb 16- Monday Feb 19, 2018

President's Day Weekend

Orientation Meeting:

Sunday, February 4 @ 1pm in Room C-105

**OUR PLANNED CAMPING AND HIKING EXPERIENCE:** We will spend the weekend tent camping at Black Rock Campground, a quiet family campground, near the North West corner of Joshua Tree National Park. The trip provides opportunities to encounter God in the outdoors and to enter into community. There will be multiple hiking options led by people in the group and there are ranger programs conducted at the Visitor Center. This is a great place for kids to bring their bikes and friends to have fun. The trip may include opportunities to rock climbing and 4-wheeling. There is shopping in Yucca Valley only five miles away. Remember temperatures can change 40 degrees within 24 hours!

This is a great time to connect with the Lord and with each other. We will have morning and evening devotions and a Saturday night church service and Potluck in the campground. Look forward to making new friends and enjoying God's creation.

**REGISTER ONLINE:** [northcoastcalvary.org/outdoor](http://northcoastcalvary.org/outdoor)

**ACCOMMODATIONS:** The elevation is 4000' and there are 100 total campsites in the campground. There is a Ranger Station and Visitor Center. The campground has running water, flush toilets, picnic tables and fire grates (NO showers).
