Check in: 2:00 pm on 5/25, Check out: 12:00 pm on 5/28

OUR PLANNED CAMPING AND HIKING EXPERIENCE: Idyllwild County Park is 202 acres of beautifully wooded environment and includes showers, restrooms with running water, fire rings with half-grills and picnic tables. It's on the edge of the town Idyllwild so modern amenities are close by. There are five miles of hiking trails that wind through the park, including an easy half-mile trail that connects the campground with the county-run Nature Center. This is a great place for family and group fun! We will have morning and evening devotions and a Saturday Evening worship service. Kids can ride bikes on the roads around the campground; nature center visits, Ranger led hikes and walks in local area. We will also have our own group hikes that will be announced at the morning devotionals. It's a great time to build community, make new friends and enjoy God's creation.

DIRECTIONS: There are variations on the drive, but this is the recommended route, a two-hour drive from NCCC to Idyllwild: Take I-5 North to Highway 76 East to I-15 north to 79 south (right) to Highway 371; turn left (through Anza Valley). Take Highway 74 East or left toward Idyllwild. Then take Highway 243 to the outskirts town of Idyllwild. Turn left on Riverside County Playground Road into County Park. (Approximately 100 miles)
