"A county-run park with a large indoor warm pool and an outdoor pool fed by a natural hot spring in the low desert. The large indoor warm pool is a great place for a communal soak when the weather is cool. The pool is equipped with Jacuzzi-like jets and hovers around 95 degrees F. The park is equipped with showers, restrooms, and dressing rooms. This indoor pool is reserved for adults only, though kids are free to use the outdoor pool (with proper supervision), which is a little cooler (90 degrees F.). Both pools are well cared for and kept clean. The park is owned by the County of San Diego, but is within the larger Anza-Borrego Desert State Park, one of the most beautiful desert parks, with thousands of acres of fascinating country."
